## Monetary donations are always appreciated.

Donations go into our adoption medical fund and are used for both additional medical expenses and towards preparation of dogs going on the Canine Express Transport program to New England shelters.

## Do you have medications that are no longer needed for your dog or cat?

Columbus Animal Care Services will happily take them to determine if we can use them for a shelter animal. Items like Heartguard, Trifexis and Revolution are always needed.

For additional information regarding all of our services please go to
